BANCO PESCE 690 - BP 105 NV

Vasca in acciaio inox AISI 316 scotch-brite con foro di scarico di mm 31 (3/4") fornita con isolamento ottenuto tramite schiumatura interna in poliuretano ad alta densità e completa di falso fondo forato asportabile in acciaio inox. La protezione sul lato pubblico è caratterizzata da un vetro temperato e da una barra antirullo in acciaio inox. Lateralmente la vasca è protetta da due spondine sagomate in acciaio inox AISI 316. La struttura è in acciaio inox AISI 304 scotch-brite ed è completamente pannellata con andamento curvilineo, predisposta per l'ancoraggio al pavimento, con gambe portanti ispezionabili per accedere ai punti di fissaggio ed al tubo di scarico della vasca, che rimane completamente nascosto alla vista.

FISH COUNTER 690 - BP 105 NV

Tank made of AISI 316 scotch-brite stainless steel with 31 mm drainage hole (3/4") supplied with internal high density polyurethane foam insulation complete with removable perforated false bottom made of stainless steel. The protection on the public side is characterized by tempered glass and by shockproof bar made of stainless steel. At the sides the tank is protected by two AISI 316 stainless steel shaped edges. The structure is made of AISI 304 scotch-brite stainless steel and is completely lined with curved panels, designed to be fixed to the floor, that can be opened to access the points of attachment and the tank drainage tube, which are completely hidden from view.
